### School Uniform Supplier Change

We have been unhappy with the level of service from our current supplier and so have decided to move to a local company who can deliver to school , have a shop and competitive prices. You do NOT need to buy uniform with the Wheeler Logo on it but if you do wish to buy uniform with the Wheeler Logo we will now be using STEADY SCHOOL WEAR as our supplier. Uniform can be ordered online and delivered to school for Free. They also have a shop on Holderness Road. We will be sending more detailed information in the coming weeks but you can look on their website at: **steadyschoolwear.co.uk**

### Year 3 Eureka!

Our Year 3 children had an amazing time at Eureka this week as part of their topic work. They have come back completely enthused and full of scientific vocabulary and ideas.

### Year 6 Parent Consultations - SATS

Thank you to all the Year 6 parents that came and met with the Year 6 Team this to talk about SATS and how we can support your children. A reminder that Year 2 Parent Consultations take place on Monday 27th January.

### Mobile Phones

We seem to be having more and more children coming to school with a mobile phone. We understand that for some children who walk home on their own that this is to allow for children to contact parents on the journey from home to school. All phones must be handed in at the office on arrival to school and collected at the end of the day. Please think carefully before allowing your child to bring their phone to school – we have a number of younger children now coming with a mobile phone which is not necessary.
