

This Terms News

PE will be taught on Tuesdays and Thursdays for Kinabatangan and Mondays and Wednesdays for Orinoco. Please make sure your child has an outdoor kit and appropriate footwear in school all the time.

Homework challenges can be returned weekly or by Friday 11th October in order to be included in the homework awards.

As Scientists we will:

Learn about electricity and how to create a range of circuits including things such as switches, bulbs and buzzers.

As Geographers we will:

Locate countries and cities in relation to the rest of the world. We will look at the physical and human characteristics of each location.

As Artists and Designers we will:

Create our own magic carpet using a range of textiles. We will develop our sewing skills and use other techniques to embellish our designs.
We will be using clay to create 3D figures.

As Authors and Readers we will:

Be linking our Literacy with our Topic. We will be writing diary entries from the perspective of story characters, examining the relationship between them.

As readers we will continue to develop our skills of inference, retrieval and prediction.

Year 4 Autumn Newsletter

As Mathematicians we will:

Look at place value, identifying the value of each digit in a 4 digit number. This will develop into ordering and comparing those numbers. We will also look at negative numbers.

Times tables will be an ongoing focus all year in preparation for our tests.

As Historians we will:

Learn about the history of slavery and the conditions that these people often faced. As part of this, we will look at William Wilberforce as a local hero.

As Musicians we will:

Begin to recognise musical notation and use this in our performance and composition.

Curriculum News

This term, our topic is 'Zero to Hero'. Within this topic there will be a focus on the classic tale Arabian Nights.

Please follow our exciting adventure on Facebook/Twitter.

In RE we will:

Look at both the Jewish and Christian faith. This will give us more of an understanding of their religious differences and their beliefs.

Through PE we will:

Perform dances using a range of movement patterns. Swimming lessons will take place in November.
