

# Home Learning Activities

Week 4

Year  
6

Hi Year 6!

*This week would've been SATs week and we know how hard you have worked throughout your time at Wheeler and during Year 6. But, don't worry, all your hard work hasn't gone unnoticed: you have worked your socks off this year. So, this week, we thought we'd do something a little bit different!*

*You have still got some different tasks for English and Maths as well as some things for you to do around our topic and some activities to keep you active but we've based them all around you and how amazing you all are! Those highlighted in green are tasks that we would like you to do, those highlighted in yellow are ones that you could do if you finish and those that aren't highlighted are ones that you can do if you've finished everything!*

Speak soon,

The Year 6 team.

## Just Remember – a poem for Year 6

Just remember your times tables, we said, you need to know them all,  
Breakfast is a must for you to grow big, strong and tall,  
Adjective, adverbs, and use the correct tense, you'll need it when you write,  
As each and every one of you tried with all your might,  
And learn those spellings too, we groaned, each and every rule,  
They won't treat you like this, we moaned, or be as understanding at high school,  
"Where's your homework again?" we screamed. "You won't get away with this!"  
"You've given us too much already and now I'm stressed out, Miss!"  
"We've made mistakes and learned so much and ready to try our best,  
But Miss, it's unfair, we've worked or socks off, and now they've cancelled our test!"

Just remember my little ones, you've made us very proud,  
Don't forget the learning, but your personalities will stand out from the crowd,  
Just remember you never gave up when it seemed so far from the start,  
You learned as much as you possibly could and really did play your part,  
Just remember what you've achieved and who you've become now,  
Stand in front of your family, proud, and tell them to clap as you bow,  
Just remember our Year 6s, what matters is you're safe and well,  
And one day, this insane story, you'll be able to share and tell,  
And one last thing, we do miss you, but sure we'll see you before school's end,  
Just remember: look after each other, love, and be kind to all family and each and every friend.

## Maths

- Keep practising your times tables and division facts on Times Tables Rock Stars: [www.ttrockstars.com](http://www.ttrockstars.com)
- Complete two fractions lessons: <http://tiny.cc/Year6Maths> (opens in YouTube)
- How many ways can you come up with to make the number 357.26?  
Can you use division? What about a mixture of all 4 operations?
- Can you come up with any answers for the silly Maths questions below? The sillier your answer, the better! Don't forget to share them with us on Facebook or Twitter!
- Play this game about co-ordinates: <http://tiny.cc/gzrooz>
- Can you write the date of each day this week in Roman numerals?
- Can you complete a Sudoku? Each row, column, and square can contain each number (typically 1 to 9) exactly once.

## English

### Reading:

- Regular Reader – Read a book at least 3 times this week.
- Recommend a book to someone else – could be a family member or friend. Why should they read the book?
- Complete 2 tasks from your reading mileage challenge.

### Writing:

- Have a look at the poem 'Just Remember'. Can you write a response to it?
- We think Year 6 is the best year of them all (but we are a bit biased!) and we absolutely love seeing you take each step towards us every year. We would like you to write down:
  - A memory: what is your favourite memory of Wheeler? Something that will stick with you forever! Maybe something funny or something that has changed who you are.
  - A thank you: which member of the Wheeler staff would you like to say a little 'thank you' too? It doesn't have to be one of us!
  - A hope for the futureOnce you have written them, we'd love it if you could email them to us on our email addresses below!

## Spellings

This week we thought we'd have a bit of fun with your spellings! Have a listen to Mr. Kemp read them out by going to this website and filling the attached sheet out!

Answers are on the last page for marking. No peeking!

Hope you have some fun with it!

## Project

### Share a Talent

You are all talented in lots of different ways. Some of you are amazing dancers, singers and actors. Some can play a musical instrument, make the most amazing cakes and paint the most incredible pieces of artwork. Whatever your talent is, we want to hear it!

So this week, SATs is going to stand for something slightly different: **Share A Talent!**

We would like you to write about, film or take a photograph of your talent in action and send it to us! We would love it if you could email them directly to the Year 6 teachers. Here are our email addresses: [kowston@wheeler.hull.sch.uk](mailto:kowston@wheeler.hull.sch.uk), [robinson@wheeler.hull.sch.uk](mailto:robinson@wheeler.hull.sch.uk) and [jkemp@wheeler.hull.sch.uk](mailto:jkemp@wheeler.hull.sch.uk). We can't wait to see what you've got!

## Let's get physical!

Did you know that when you exercise, your body releases chemicals called 'endorphins'? One of these endorphins is called serotonin and it actually makes you feel really good! It gets rid of any stress and anxiety and makes you feel happier and healthier. Have a go at some of these activities to have a great start to your day!

- Lets Get Physical - Joe Wicks Joe Wicks morning workout <https://www.youtube.com/channel/UCPaWXTDIEIsCTNtBm6YU>
- 1 minute challenge - How many hops, jumps, squats, jumping jacks etc. can you do in 1 minute?
