

Home Learning Activities

w/b 22nd June

Hi Year 6!

We hope you have had a lovely break and have managed to enjoy the sunshine! This is your learning pack for this week. Each week there will be a different theme - this week's theme is 'Transition'. Remember to keep an eye out for the packs/letters that your secondary schools are sending out.

You will see that there are different tasks for English and Maths as well as some things for you to do around our topic and some activities to keep you active. Those highlighted in green are tasks that we would like you to do, those highlighted in yellow are ones that you could do if you finish and those that aren't highlighted are ones that you can do if you've finished everything!

Speak soon,
The Year 6 team.

Maths

- Keep practising your times tables and division facts on Times Tables Rock Stars: www.trockstars.com
- Complete two Maths lessons: <http://tiny.cc/6nm6oz> (opens in YouTube)
- Complete the maths problems below. You could use a bar model or part-whole model to help you solve them!
- We're sure that you have lots of questions about secondary school. One thing you can be doing during this time is planning your route. If you plan on walking or cycling to school, use Google Maps to plan out your route. Can you find the quickest? What is the latest you can leave the house? If you're taking the bus, have a look at the timetables on the Stagecoach or East Yorkshire websites and see which bus you need to take, which bus stop you need to catch the bus from and where you will get dropped off
- Complete the challenge question below. The easiest way of completing it is to use a bar model 😊

English

Reading:

- Regular Reader – Read a book at least 3 times this week.
- Read up to the end of 'August Through The Peephole' of Wonder (you can find it here for free: https://archive.org/details/Wonder_201810). Using skimming, can you locate the paragraph which talks about August's ability to hear. Now complete the sheet below.
- Complete 2 tasks from your reading mileage challenge.

Writing:

- The Year 6 teachers love a good song and every year we have a 'song of the year'. What do you think our 'song' should be for this year? Once you have decided what the song should be, have a listen to it and write down the lyrics. For an extra challenge, can you change the lyrics to ones that would match things to do with Wheeler? Make sure to keep the same amount of syllables. Why not sing your new lyrics, record it and send them to us?
- Read the quotes from 'Wonder' and circle your favourite one. Discuss with someone in your house why you think it's a good quote. Find another quote in the text that you think is powerful, write it down on the sheet below and explain why you think it's an important quote.

Spellings

Your spellings this week all include silent letters. Use the sheet below to practise each day.

- subtle
- isosceles
- anchor
- architect
- orchestra
- stomach
- condemn
- moisten
- baguette
- silhouette

Riddle time!

I'm tall when I'm young and I'm short when I'm old. What am I?

Project

At this point in the year we would normally be planning our end-of-year party and be thinking about our outfits. Although this isn't possible for us to do this year, we want to see what your ideal party outfit would be!

TASK 1: Using the outline below, draw your ideal party outfit.

TASK 2: Mr. Kemp, Miss. Owston and Mrs. Robinson like to try and make sure they're looking their best, especially at an end-of-year party. Boys, what hairstyle would you go for? Bit of gel? Spiky? Combover? Perm? And girls, what are your makeup skills like? Use different colours! If you're not a fan of makeup, you could create a face paint design! Use the 'head' outline below to design your favourite hairstyle or make-up look.

Let's get physical!

Did you know that when you exercise, your body releases chemicals called 'endorphins'? One of these endorphins is called serotonin and it actually makes you feel really good! It gets rid of any stress and anxiety and makes you feel happier and healthier. Have a go at some of these activities to have a great start to your day!

- 1 minute challenge - How many hops, jumps, squats, jumping jacks etc. can you do in 1 minute?
- Can you beat your personal best? Keep a record of your progress.
- Isolation Icons – Hull Active Schools Primary Daily Challenge <https://www.hullactiveschools.org/isolation-icons>
- Learn or improve a sports skills e.g kick ups, throwing and catching, skipping, jumping.
- Outdoor Explore – walk , run outside

Joke time!

Who won the race of princesses?

Rapunzel. By a hair!

See you soon!

1 What are the missing digits?

$$\begin{array}{|c|} \hline 3 \\ \hline \end{array} \begin{array}{|c|} \hline \\ \hline \end{array} + \begin{array}{|c|} \hline \\ \hline \end{array} \begin{array}{|c|} \hline 5 \\ \hline \end{array} = \begin{array}{|c|} \hline 1 \\ \hline \end{array} \begin{array}{|c|} \hline 1 \\ \hline \end{array} \begin{array}{|c|} \hline 1 \\ \hline \end{array}$$

2 Annie and Ron each think of a number.

I'm thinking of
the number 6

The product of their numbers is 762
Work out Ron's number.

3 Find the size of angle b.

1 Marbles are put into bags of 10

- 67 bags of marbles are packed.
- 3 more marbles are added to each bag.

How many marbles are there in total now?

2 Work out the missing digits.

$$\boxed{5} \times \boxed{} \times \boxed{} = 105$$

3 A toy train costs three times as much as a rocket.

The total cost of the train and rocket is £52

How much does the train cost?

- 1 The table shows the ages of people in a theme park.

Age	Number of people
Under 18	126
18 - 60	195
Over 60	38

These are the entry costs.

How much money did the theme park make from entry costs?

- 2 Given that

$$\triangle + \triangle + \star + \star = 100$$

$$\heartsuit + \heartsuit + \triangle + \star = 78$$

Work out the value of the 

- 3 What are the missing numbers?

$$\square \times 10 = 42$$

$$\square \div 10 = 42$$

Challenge Problem

In a sale Tommy bought a kettle and a toaster.

- He paid a total of £105
- The amount paid for the kettle is $\frac{2}{5}$ the cost of the toaster.
- The total price before the discount should have been £133
- The toaster was reduced by 20%.

How much was the kettle reduced by?

Reading Comprehension

August Through the Peephole

1. Describe August's eyes.

2. Why do some people assume he's been burned in a fire?

3. Which bone was surgically implanted into August's lower jaw and what did his jaw look like before this was done?

4. Why does August hate the idea of wearing hearing aids?

5. Before his surgeries, how did Via know that August was happy?

6. Before his surgeries, how did Via know that August was about to cry?

7. Before his surgeries, how did Via know that August was being mischievous?

8. Why does August not express himself using words?

9. Why are plans sometimes changed?

10. Why does August think he's normal?

Quotes from Wonder

"When given the choice between being right or being kind, choose kind."

"It's like people you see sometimes, and you can't imagine what it would be like to be that person, whether it's somebody in a wheelchair or somebody who can't talk. Only, I know that I'm that person to other people, maybe to every single person in that whole auditorium. To me, though, I'm just me. An ordinary kid."

*"I think there should be a rule that everyone in the world should get a standing ovation at least once in their lives." **

"Kinder than is necessary. Because it's not enough to be kind. One should be kinder than needed."

"Courage. Kindness. Friendship. Character. These are the qualities that define us as human beings, and propel us, on occasion, to greatness."

"Sometimes I think my head is so big because it is so full of dreams."

*"It's not enough to be friendly. You have to be a friend." **

"Learning who you are is what you're here to do."

"We carry with us, as human beings, not just the capacity to be kind, but the very choice of kindness."

Are there any other quotes in the book which you like? Copy it down and explain why you think it is a powerful quote.

Quote:

Reason for choosing it:

Create a party outfit

Hair/make-up
