

This Term's News

PE will be taught on **Wednesday** for Blue Base and on a **Thursday** for Green Base. Please make sure earrings are removed or covered.

Please remember to send your child in with a bottle containing water only, to have in the classroom. Children need to take them home each day to be filled up and cleaned. If they bring a packed lunch from school, please bring a second drink to have with their lunch.

Please remember to pay your £1 Foundation Fund contribution each week. This makes a huge difference to the resources we can provide.

As part of Knowledge and Understanding we will be:

- learning about the different jobs of 'real life superheroes' such as: doctors, nurses, builders etc.
- learning about superhero powers e.g. trying hard, never giving up, being brave, being kind
- learning about how superheroes can stay fit and healthy

As part of Expressive Arts and Design we will:

- work independently to make our own capes, printing using different materials and creating our own vegetable friend.
- be developing our imaginative play by engaging in role play and small world play.
- be exploring different media (paints, chalk etc), mixing colours and representing our own ideas using these resources.

As Authors and Readers we will:

- be linking our literacy with our topic.
- be introducing the children to the letters and sounds of the alphabet. We will be using this to help the children read and write simple two and three letter words.
- be encouraging the children to make marks
- begin to develop our skills in writing labels, captions and simple words and sentences independently.

As Mathematicians:

- we will be developing our understanding of what numbers are and how we use them in real-life.
- we will learn to read, count and order numbers to 10.
- we will learn to add and subtract using practical apparatus
- we will also explore shapes and different weights to measure.

Foundation 2 Autumn Newsletter

Curriculum News

This half term, our topic is 'Superheroes'. We are launching this topic on Monday the 28th of September. The children are able to come dressed as their favourite super hero.

We will also be thinking about 'real life superheroes' and 'looking after our bodies'. We will learn about the different jobs of 'real life superheroes'.

After half term our topic will be 'Lets Move' where the children will learn all about different types of transport.

We aim to spend part of each day outside. As we move into Autumn, please make sure your child has appropriate clothing - hat, scarf, gloves, coat, footwear.

Remember - any questions, please ask; we are here to help.

In Physical Development:

We will be developing our fine motor skills and beginning to learn how to form letters. The children will be practising this daily in a variety of ways.

We are also developing our gross motor skills through a wide range of physical activities.
