BEING BRILL AT WHEELER - TEACHING
CHILDREN TO BE RESPECTFUL, RESPONSIBLE
AND RESILIENT IN LIFE AND LEARNING

Newsletter – Friday 09th Oct 2020

Dear Parents and Carers,

Marvelous Me - home/school system

You should have received a personal login for you to access your child's profile on '**Marvelous Me**'. As you know this is an exciting and fun way of sending messages home to you as parents and keep you informed about how well they are doing in school. You can see what your child has been learning about in school, receive certificates and messages. **It is really important that you download the FREE APP so we can begin to send you messages home.**

We will also be using the APP to let you know about homework, challenges and key messages/news . What is wonderful for us is that we can see which parents have engaged with the APP and help us to make sure we communicating with you about your children as much as possible and sharing their success.

If you are struggling to download or access the system please contact school so that Mr Butters can support you. It is important that you return the slip to say that you are happy for us to send you images of your children working.

Flu Vaccination – NOW MOVED TO 1ST DECEMBER

The Flu vaccinations were due to take place next week on Thursday 15th October however due to only a small number of forms completed we have moved the date to **1ST December** to give you more time as parents to complete the forms . If you have not completed the online form or paper version than unfortunately your child will not be given the vaccination. To complete go to <https://bit.ly/3mQaWQh> and follow the instructions

COVid Updates

Please help us as parents by adhering to the systems we have in place in and around the school playground. We ask you to keep your children with you until time of arrival or collection and not let them play around with other children on the playground as this will break the bubbles . We know that COVid cases are on the increase in the city and we urge you to be vigilant, maintain social distancing and avoid gathering in groups.

Please remember there is one way system for the Ganges bubble so parents can avoid congestion and operate safely. If you should ever need to contact the school over a weekend period or on an evening you can do so by emailing us at: admin@wheeler.hull.sch.uk or sending a direct message to our facebook page at Wheeler Primary School

Contact Information

It is vital at this time that we have your up to date contact information. If you have changed your phone number or email address please let the school know asap by calling on: 353125
