

WHEELER PRIMARY SCHOOL

BEING BRILL AT WHEELER - TEACHING
CHILDREN TO BE RESPECTFUL, RESPONSIBLE
AND RESILIENT IN LIFE AND LEARNING

Newsletter – Friday 20th Nov 2020

Dear Parents and Carers,

COvid Update

The number of cases in Hull continues to rise so we must continue to work together to try and prevent the virus from spreading further. If you or a member of your household tests positive or has any symptoms, **then you must isolate**. We always need to know as soon as possible of any positive cases so that we can take any necessary action. We are always on hand to offer any advice and can support you in these challenging times. The school office is open daily from 8am until 6pm and you can ring us on **353125**.

If you should ever need to contact the school over a **weekend period or on an evening** you can do so by emailing us at:

admin@wheeler.hull.sch.uk or sending a direct message to our **facebook page at Wheeler Primary School**. If we do ever have to close a bubble you will be notified by using the **Marvellous ME** message service or tapestry if it is out of school hours

Cold Weather Arrives

The cold weather has arrived this week as we approach the winter months. Could you please make sure your child has a warm coat and hat and gloves if possible. We are trying to get the children outside as much as possible to enjoy the outside space, so it is important children have adequate warm clothing

Marvellous Me- home/school system

Thank you to all of you that has downloaded the **Marvellous Me APP**. We still have a small number of parents who we can see have not yet accessed the APP. If you are having problems with APP please contact us by calling **353125** so we can assist you.

Anti Bullying Week

The children have all been engaged in anti-bullying week and have completed a range of activities to educate them about the affects of bullying and staying safe. We have taken the theme of spreading kindness and the children have come up with excellent ideas about how they could spread kindness during these challenging times. I am immensely proud of how well our children are continuing to adapt and show resilience during this time. *Our Emotional Well-being Team continue to support children when they need extra emotional support and as always are always there to help you as parents.*

REMINDER: PLEASE REMEMBER TO SEND YOUR
CHILD TO SCHOOL WITH A WATER BOTTLE

Christmas Plans

We will still be having lots of lovely Christmas things for the children to look forward to. We are busy organising ways in which we can bring Christmas fun and festivities in a safe way. We will be letting you know next week of some key dates to include: Covid safe parties, Christmas lunch and virtual mini performances. Some children have started asking if they can bring Christmas Cards into school for their friends . From 7th December each class will have a post box in their classroom which the children can post their cards into . This will be emptied on a Friday for cards to be given out the following Monday. This will allow at least 48 hours quarantine before the cards are distributed. Please do not allow your child to bring in any cards before 7th December.

FLU Vaccine

A reminder that the school nurses will be in school on the 1st December to administer the nasal seasonal flu vaccine to those children who have been given permission by completing the parental consent forms.

Class	Week 3 – 20.11.20
Humber (Y1)	66%
Seine (Y1)	80%
