

This Term's News

This term's topic is "Zero to Hero" and will be launched with a Wizards' and Witches' Day on Thursday 7th January 2021. Your child can come dressed up as a Harry Potter themed character.

PE will be taught outside. Please make sure that your child has an outdoor kit and appropriate footwear.

We will be working hard to learn our times tables in preparation for this summer's test.

Keep an eye out for news of exciting events throughout the term!

As Scientists we will:

Learn about electricity and how to create a range of circuits. We will experiment with making a variety of circuits and include switches, bulbs and buzzers. We will also learn about insulators and conductors.

As Geographers we will:

Learn about the countries that were part of the slave trade triangle. We will compare Africa and a European country.

As Artists and Designers we will:

Design and create our house coat of arms and use our sewing skills to create fabric badges. We will create illuminated wands.

As Authors and Readers we will:

Write a fantasy narrative based on Harry Potter. We will also create explanation texts and enjoy some poetry and playscripts.

We will continue to develop our skills in reading comprehension. We will also be developing our inference skills.

As Historians we will:

Learn about the history of slavery. As part of this, we will look at William Wilberforce as a local hero and his work to abolish slavery. We will then consider modern day slavery.

As Musicians we will:

We will develop our skills in playing the glockenspiel along with learning how to read musical notations.

We will develop our ability to maintain rhythms.

Year 4 Spring Newsletter

Curriculum News

This term, our topic is "Zero to Hero". Within this topic there will be a focus on the book Harry Potter and the Philosopher's Stone.

Please follow our exciting adventure on Facebook/Twitter.

In RE we will:

Look at both the Jewish and Christian faith. This will give us more of an understanding of their religious differences and their beliefs.

As Mathematicians we will:

Develop our knowledge of fractions and decimals and how to identify, add and subtract them.

We will solve problems using money and time.

Times tables recall is ongoing this term.

Through PE we will:

Learn more about rounders. We will develop skills such as different strokes and throws. We will develop our sense of fair play and team tactics.
