Weekly Newsletter

Dear Parents,

Bank Holiday Monday

Just a reminder that school is closed this coming Monday 3rd May for the Bank Holiday. I hope you enjoy the extra day with your families and make the most of the time together, School re opens on Tuesday 4th May.

Uniform Policy

We have noticed a few children have started coming to school wearing items that are not part of the school uniform policy. We are asking for your support as parents to make sure that children come to school with the correct clothing:

Children Must not:

- Wear jewellery other than stud earrings and a watch (no smart watches please)
- No make up or fake tan
- NO false nails

Look North Stars

We were so proud to see our beautiful Year 6 children (and Miss Owston) taking a starring role on Look North this week. The report highlighted the community work the children have been engaged in with our friends from Morrison's and the messages of hope that the children have written to share their thoughts for the future. The children were superb representatives of the school and demonstrated all our BRILL Values in action.

Sunflower Seeds

Mrs Richardson has been busy organising a growing competition for the children and they should have received an envelope with a sunflower seed to plant and grow. There will be a prize for the tallest sunflower later on in the year. Please encourage your child to plant the seed take part.

POP and Shop Every Thursday at 3pm

We have lots of lovely items available weekly from our 'Pop and Shop. Any 5 items a £1 and a warm welcome guaranteed. We also have a confidential food bank service with help from Reverend Jonathan should you ever need support. Just ask for Mrs Wardell or Mrs Gray at the main office if you ever feel you need help during these financially difficult times.

Breakfast and After School Club

Just a reminder that ALL places must be pre booked for both breakfast and after school club. Unfortunately, if your child has not been booked in then they will not be able to attend. This is due to the Risk Assessment and our ability to maintain bubbles and keep everyone safe.

COVID Update

Unfortunately, we have had to close some bubbles this week as we have received notification of positive cases in the school community. We always work closely with Public Health and decisions to close bubbles are always taken to protect the children and staff and ultimately you as families. Please continue to be vigilant and follow the rules. Please remember whilst on our site adults MUST wear a face covering (unless exempt) and maintain social distancing. In addition, please ensure your child does not bring anything in from home that is non-essential.

What do I do if someone in my household has symptoms of COVID 19 ?

As always – any person with Covid 19 symptoms will need to isolate and seek a test. Please keep your child at home if they are unwell and have one of the following symptoms and seek advice by contacting NHS on 119.

- Loss / change to sense of taste or smell
- New or continuous cough
- High temperature

You can always contact out of hours by emailing either myself or Mrs Scowen with any COVID-19 related issues:
