

Dear Parents and Carers,

It has been lovely to return to school with the sunshine and welcome the children back. Half term provided a much-needed break for staff and children who worked so hard last term. The coming weeks will focus upon completing end of year assessments, adjusting the curriculum and making the most of what the outdoors has to offer. Whilst restrictions re bubbles remain, we are doing our very best to adapt planned activities so that they are Covid safe and can go ahead. I really hoped that we could relax restrictions by now, but unfortunately, we still must operate using the DFE and Public Health Guidance. I really want the children to have some things to look forward to and so we have planned sports events, picnics, special visitors, competitions and a EURO's sweep stake for each class.

IMPORTANT – Yr4, 5 and 6 Parents

Firstly, I would like to thank you as parents for your continued understanding and support with the staggered start and end times to the day. The advice remains from Public Health to maintain bubbles and have staggered timings to avoid crowding and mixing of bubbles. However, I also know that as parents this is very difficult to manage when you have children who need bringing and collecting at different times.

We have decided to slightly adjust the timings for **Yr,4.5 and 6** to enable the wait time to be decreased for you as parents. **All other Year Groups will start and end as they do currently. From Monday onwards we are asking Yr 4,5 and 6 to start school at 9:05am and finish at 3:05pm**

Welcome Miss Jennings,

I am delighted to welcome Miss Jennings to the Wheeler Team this week. Miss Jennings will be teaching children in Year 2 and 4 for the remainder of this term to help support interventions, prior to her having a class full time in September.

Message from Miss Jennings:

Hello Everyone, I am super excited to be joining Wheeler and supporting all the children in their learning. I love teaching but when I am not in the classroom I like to ride my bike and listen to music. My favourite subject to teach is PSHE, as I enjoy seeing how children develop as individuals and how BRILL they can become.

Parent Stakeholder Elections

We are pleased to have had two nominations for the position of parent stakeholder. We will be sending a further letter and ballot papers next week, in order for an election to take place.

Sports Days

We are very much hoping to allow parents (limited to 2 adults per child) to join us for our Sports Days. Please look at the calendar below and make a note of the day your child will be involved. WE will have more details about timings and COVID safety for visitors nearer the time.

Key Dates – Summer 21

Friday	
Monday 11 th June	Bikeability Week Year 5 (bring bikes Mon5day, Tues and Thurs)
	EURO's Theme and Anti Bullying Week
