

Dear Parents and Carers,

### Government Announcement – Continued restrictions

As a result of the delay in the removal of restrictions we have had to amend our plans slightly as we have been advised by Public Health and DFE that the current restrictions and systems of control are to remain until the end of term. This means that unfortunately we will not be able to allow parents inside the building for events such as ‘Leaver’s Assemblies and showcases of work. We are still pressing on with our Sports Day’s plans, but we must follow the strict guidance of maintaining bubbles and only allowing 2 adults per child to spectate. We really hope that the weather is kind to us in the coming weeks so that you can at least witness your children enjoying sports days. We appreciate your co operation in following the rules so that the Sports Days can take place safely.

Hopefully the Prime Minister will give us some good news in the coming weeks which will allow us to plan for a more normal start to the academic year in September. We are hoping to abolish staggered start and end times of the day and allow children to mix beyond their class bubble in the Autumn.

### Well Done Year 5

Well done to our Year 5 cyclists who took part in Bikability this week. They developed their confidence and road sense and learnt lessons which will carry them through life.

### Black and White Take Over Day

On Friday 25<sup>th</sup> June the children throughout the school will be working with players and coaches from Hull FC. This will be a fun filled day and the children can come dressed in either back and white or their PE kit. They will need to wear suitable outdoor trainers /sandshoes.

### Wheeler’s Got Talent Final

Well done to everyone that took part in the ‘heats’ for Wheeler’s Got Talent last week. We will be making a film of the finalists next week so that we can then hold our ‘virtual final’ as we can come together in the hall as we usually do. If your child has reached the final and need any equipment etc they will need to bring it in next week so Miss Thompson can film their act.
