EQUAL OPPORTUNITIES POLICY

Little Treasures at Wheeler Children's Centre aims to reflect and meet the needs of the local community and to incorporate equal opportunities into all areas of its day to day running.

As a team we strive to be sensitive to the needs of all the children attending the centre. Individuals will not be discriminated against because of ethnicity or any other discrimination. Little Treasures at Wheeler Children's Centre are committed to positive action to remove or counter discrimination in all aspects of its work.

Language or behaviour that is deemed offensive to any group or individual is not acceptable at the centre and will not be tolerated. We will deal with any inappropriate language or behaviour in accordance with our behaviour policy. The centre will strive to promote non-stereotypical traditions, values and environments in all its activities and play equipment and will promote positive images around the centre.

Equal opportunities will be considered in all activities and the nursery promotes anti-discriminatory and open access play and practise.

At Little Treasures we feel that equality of opportunity is:

- Being welcoming to all
- Giving everyone a voice
- Listening to what others have to say
- Not treating all children the same
- Respecting one another and our difference and encouraging our individuality
- Discouraging and challenging offensive comments, actions and behaviour
- Positive play and care for all children
- Positive roles and attitudes
- Free play for all
- Appropriate support for differing abilities

Philosophy

We believe that everyone within our community should be provided with the same opportunities regardless of race, gender, religion or disability.

Aims

At Little Treasures we aim to ensure that all children have access to a broad, balanced, relevant and challenging curriculum through which they should have the opportunity to reach their full potential.

We aim to foster strong, healthy relationships showing awareness, knowledge and understanding of one another and a tolerance towards the culture, race, religion, gender and the particular needs of others.
