

The Wheeler Way - Modern Foreign Languages INTENT

MFL lessons at Wheeler should allow children to grow in confidence when speaking and understanding another language (Spanish)

The subject pillars are:

Children listen attentively to spoken language and show understanding through joining in and repetition .

Children listen to spoken language and respond appropriately.

Children speak in short phrases and simple sentences focussing on familiar vocabulary.

Children develop accurate pronunciation so others understand when using familiar words/phrases.

Children learn about the culture and life of the specified language/country.
