

The Wheeler Way - Curriculum INTENT

Reading

To develop fluent, confident and motivated readers who are able to use a range of skills and strategies to independently comprehend what they have read enabling them to access the world around them on go on to be lifelong learners.

The subject pillars are:

To ensure ALL children have a secure foundation of phonics knowledge.

To develop fluent and confident readers who read with increasing prosody.

To develop a range of reading skills and comprehension monitoring strategies to read for sense and meaning.

To develop a wide range of vocabulary and an appreciation and understanding of word origins.

To create passionate lifelong readers who read for pleasure and information.
